Genetic information can also include requests for, or receipt of, genetic services, or participation in clinical research which includes genetic services. **Do not report genetic information on this form.** However, information about manifested diseases or conditions of anyone applying for coverage is not considered genetic information and is to be reported on this form, even if the disease or condition is caused by or associated with genetics.

I. ACKNOWLEDGMENT & SIGNATURE

I hereby apply to be enrolled with my listed dependents, if applicable, for coverage. When incorporated with the policy, this application will become part of the policy. Once fully signed and executed, carrier and I agree to terms set forth in the policy. In connection with both this application and any coverage that may be obtained, I am acting as agent and/or as natural guardian for my spouse and other dependents. I agree to act on behalf of myself and my dependents. I understand that coverage is dependent upon my satisfaction of applicable underwriting criteria. I also understand that no coverage will be in force until each person listed above is approved; that no benefits will be provided for any services which begin before the coverage is effective; and that except as expressly provided in the policy, benefits will not extend beyond the termination of either my coverage or the policy.

CONSENT AT ENROLLMENT. I understand that no producer or carrier representative is allowed to permit me to answer any question inaccurately, untruthfully, or incompletely, and I represent that such did not occur. I understand that it is my continuing responsibility to report to the carrier changes in the eligibility of any applicants who become enrolled.

I understand that the data obtained by the use of this authorization will only be used to determine eligibility for coverage and for future benefit administration. I understand that my choice of health care providers whose services will be covered may be restricted by the policy, and I agree that coverage for any services that are obtained without or contrary to required preauthorization/precertification requirements in the policy may be denied. I understand the coverage for which I am applying may limit or exclude certain conditions, regardless of whether or not they are pre-existing. I also understand that the coverage may limit or exclude conditions for which a family member or I have received, or have been recommended to receive, any medical advice, diagnosis, care, or treatment during the six months immediately preceding the date I apply for coverage, according to the pre-existing conditions limitation provisions of the policy.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND HEALTH INSURANCE. According to information furnished, you may intend to lapse or otherwise terminate existing accident and health insurance and replace it with a new policy. For your own information and protection, you should be aware of and seriously consider certain factors that may affect the insurance protection available to you under the new policy.

1. Health conditions which you may presently have (pre-existing conditions), may not be immediately or fully covered under the new plan. This could result in a denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its producer regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interests to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history.
4. Failure to include all material medical information on an application may provide a basis for the carrier to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.

I hereby declare that to the best of my knowledge and belief, the information given on this application, including the health information on pages three and four of this application, is correctly recorded, true, and complete. I understand that material omissions or intentional misrepresentations regarding information provided on this application could cause an otherwise covered service to be denied and/or could void any coverage issued. **If I subsequently become aware of information different from that provided in this application, I agree to provide that additional information promptly to the carrier.**

I understand there may not be participating providers in all specialty fields.

I understand that credit for prior coverage will be based upon the information contained in this application. If any information provided is false, the insurer may without advance notice declare the contract null and void and cancel the coverage retroactive to its original effective date or impose the pre-existing condition waiting period and deny claims that are pre-existing.

I further certify that all information completed on this form is true, correct and complete and acknowledge my coverage is subject to cancellation or other action permissible at law, if any completed information is found to be false or incorrect.

Any matter in dispute between myself and the Plan may be subject to arbitration as an alternative to court action pursuant to the rules of the American Arbitration Association or other recognized arbitrator, a copy of which is available on request from the Plan. The Plan shall bear the costs of arbitration, filing fees, administrative fees and arbitrator fees. Other expenses of arbitration, including, but not limited to: attorney fees, expenses of discovery, witnesses, stenographer, translators, and similar expenses, will be borne by the party incurring those expenses. Any decision reached by arbitration shall be binding upon both myself and the Plan. The arbitration award may include attorney's fees, if allowed by state law, and may be entered as a judgment in any court of proper jurisdiction.

I attest that all information on this form is accurate. I have read the Acknowledgment of this document and agree to its terms. I have also completed the Authorization to Disclose Protected Health Information form that accompanies this application.
